Voices West is excited to welcome champion ballroom dancers Holly Collins and Craig Tomazin of the Littleton-based dance school, Adventures In Dance, and their beautiful ballroom interpretations of choral music from a variety of traditions. Voices West will sing as the couples ignite the dance floor - a combination sure to delight every concert-goer. Along with tangos, cha chas, polkas and the quick step, Voices West will perform Johannes Brahms' elegant *Neues Liebeslieder Walzer (New Love Song Waltzes)* with 4-hand piano accompaniment featuring collaborative pianists Linda Cody and Cathy Motter.

Carols By Candlelight

DECEMBER 12-13, 2014 - 7:30pm
St Timothy Episcopal Church

DECEMBER 14, 2014 - 7:00pm
King of Glory Lutheran Church (Arvada)

Join Voices West and The Classical Brass Quintet in a unique, "surround-sound" presentation of holiday pageantry and wonder, featuring glorious seasonal music for both accompanied and unaccompanied voices, and our signature candle lighting vignette. Inspirational readings and poetry will be interwoven with beautiful choral music and contemporary songs in this one-of-a-kind, non-stop production of seasonal favorites. Members of the audience will have the opportunity to join the chorus in the singing of traditional carols. This is the perfect way to celebrate the holiday season and always a family favorite concert!

Millions have read *The Diary of Anne Frank* and been struck by the beauty and resilience of the human spirit during horrible and inhumane times. Composer James Whitbourn has created a concert piece for soprano solo, chorus and orchestra inspired by Annelies [Anne] Frank's famous diary. Annelies is a 75-minute choral work with libretto translated from *The Diary of Anne Frank* and compiled by Melanie Challenger. Coinciding with both Holocaust Remembrance Day and the International Days of Remembrance, this concert will be a powerful, graphic and gripping multimedia production that will be life-changing for audiences and performers, alike.

Recently, there has been an increasing number of compositions for chorus and string quartet by contemporary composers; Ola Gjeilo, in particular, has received acclaim for several such works. As a group these composers have chosen heartfelt and intimate texts, and the string quartet writing depicts a wide variety of emotions without the weight of a larger ensemble. Members of Voices West and those of their sister choir, the Larimer Chorale of Fort Collins, will be departing for a two-week concert tour of Germany and Poland in June. Heartstrings will serve as a preview of the combined choirs' European Tour performances.

The chorus draws singers and supporters from the Colorado Front Range including Denver, Littleton, Centennial, Highlands Ranch and Lakewood. Performances take place throughout the southwest metro area. Voices West frequently collaborates with other music ensembles including the Colorado Chamber Orchestra, the Colorado Wind Ensemble and Young Voices of Colorado.
